Christ, be the center of our lives

Be the place we fix our eyes

**E/D#**                      **A**  
Be the center of our lives

**E**  
You're the center of the universe

**B**                                      **A**  
Everything was made in You, Jesus

**E**                                      **B**                                      **A**  
Breath of every living thing      Everyone was made for You

**A**                      **B**                                      **A/c#**                      **B**  
You hold everything together,      You hold everything together

**E**                                      **E/D#**  
*We lift our eyes to heaven*

**A**  
*We wrap our lives around Your life*

**E**                                      **E/D#**                      **A**  
*We lift our eyes to heaven, to You*

**E**                      **B**                      **A**  
Turn your eyes upon Jesus

**B**  
Look full in His wonderful face

**E**                      **B**                                      **A**                      **F#m**  
And the things of earth will grow strangely dim

**E**                      **B**                      **E**  
In the light of His glory and grace
