

About Edmonds

Community Christian Fellowship is located in beautiful Edmonds, Washington. We began in this community thirty-three years ago. The majority of our people call Edmonds home. However, many families also attend CCF from the neighboring communities of Lynnwood, Shoreline, Everett, or Mountlake Terrace. Edmonds is a small community just 15 miles north of Seattle on Puget Sound. The views of the Puget Sound and Olympic Mountain Range are breathtaking. Many who live here commute to Seattle for work. Known as “the friendliest town on the Puget Sound,” the downtown area features many restaurants small shops and festivals. The community loves the arts and many outdoor activities.
